Using your Digipass card reader for the first time?

To ensure that your AG EB Online experience is safe and secure, you will first need to activate your Digipass. To do so, enter the personal PIN code that will be sent to you under separate cover. You will be able to change the default PIN to one of your own choosing later. For more information about the activation process, see the User's Guide on the login page.

Go to **www.agemployeebenefits.be**, and select 'AG EB Online' on top of the page. Once you have activated your Digipass card reader, you will be able to log on to AG EB Online.

There are three simple steps to the login process:

- Step 1. Enter your **username** in the first field. Your username will be provided in the letter you receive together with your Digipass.
- Step 2. Turn on your Digipass and enter your **six-digit PIN code**. Your Digipass will then generate an eight-digit connection code.
- Step 3. Input this **connection code** in the third field and click 'login'.

AG EB Online is a secure website that uses **pop-ups** to display information in a new window. Your browser may have been set to block all pop-ups. To configure your browser to allow pop-ups, all you have to do is tick the option 'Always show pop-ups from this website'. Keep in mind that the exact pop-up may vary from browser to browser.

Homepage options

On the AG EB Online homepage, you can run a search query for a particular affiliate. From the menu bar at the top of the page, just select a new task.

Manage your affiliates

Click 'Affiliates' on the horizontal task bar located at the top of the page. A **user-friendly navigation menu** will open up on the left-hand side of the screen. Select the desired task to affiliate a new employee, modify existing data, report a departure, etc. All you have to do is enter the affiliate's name and you'll be up and running right away.

Take your time to explore the many features and options!
